Who We Are

BUMBLEance is Ireland's Children's Ambulance Service.

We have 15 ambulances in service, with more on the way. Offering one-off and regular trips, our ambulances are available in all counties in the Republic of Ireland.

To make difficult journeys a bit easier, each vehicle contains a 19-inch (or larger) **LED TV**, a **PlayStation**, **iPad**, **Netflix**, **Music**, **DVDs & Books**. Each BUMBLEance also has sensory lighting and onboard Wi-Fi, allowing families to stay in touch with loved ones through social media.

Our goal is to deliver smiles while ensuring the families we support have a relaxing, secure and fun experience.
